

MEET THE TEACHER

Hi! My name is Ms. Zook and I am so excited to be part of the Matthew Turner Elementary team! More importantly, I am THRILLED to be your teacher! It's going to be a fun year full of lots of learning and new adventures. I can't wait to see what the year has in store for us. I want to know ALL about you, but first I'm going to tell you a few things about me.

I grew up in Lodi, California and then in Seattle, Washington. After going to college in Washington, DC at American University, I moved to Benicia to be close to my family. My mom and dad live in Benicia as well. I have lived in Benicia for a few years now and love this community.

My undergraduate major was Marketing and Information Technology. I worked in the marketing field, but felt a calling to become a teacher. So, I went back to school and got my Masters degree in Teaching from the University of Southern California. I'm excited to begin my sixth year of teaching.

I'm thrilled to be your teacher this year and for you to be a part of this amazing class. This is going to be an incredible year!

~Ms. Zook
